## A GRANDMOTHER

*A Grandmother is someone special, when you're small,  
she has the most comfortable lap in the world,  
and, as you grow, she continues to have  
the most loving arms and the warmest heart anywhere.  
She's someone you can go to with a problem,  
trust to keep a secret, count on for love and sympathy,  
and look to for understanding when everything  
seems to go wrong*

*Remembered  
in Love*
