## *The Broken Chain*

We little knew that morning

*That God was going to call your name*

In life we loved you dearly, in death we do the same

*It broke our hearts to lose you*

You did not go alone for part of us went with you

*The day God called you home*

You left us peaceful memories

*Your love is still our guide and though*

We cannot see you, you are always at our side

*Our family chain is broken*

And nothing seems the same, but as God calls us

*One by one, the chain will link again*
