Our Outreach program at Rest Haven "ROCK" has done many amazing things in the past and it is always a blessing we receive as we see God's power bringing people together for the good of others. God loves a big project and we have had our share. My thought going forward for ROCK is to partner with our Community in projects that help. Hero Works is such an organization. They have helped the Mustard Seed Food Bank, and the Rainbow Kitchen to name a few. These are huge undertakings and have involved over 130 volunteers on a project.

This is a great way for us to do good in our Communities, to get to know our neighbors and for them to get to know us. On July 9th and/or July 16th we have been asked to partner with HeroWorks on a project at Prospect Lake Golf Course. A Charity called Power To Be now has a long term arrangement with the now decommissioned golf course to turn it into a campground for people with disabilities AND we get to help. We can use people of all kinds of abilities. You don't need to be able to swing a hammer, or even have great physical strength. We can use you in all kinds of ways. God can use you. Please let me know asap if you can donate your time toward either or both of these days. And unlike other ROCK projects, this will only be a one or two day commitment. That's it! I know it will be a blessing to all.

SAVE THE DATE: SAGEBC is sponsoring the weekend of October 27-29 at Camp Hope for all seniors 55+. The featured speaker will be Dr. Alan Handysides, retired Medical Director of the General Conference of SDA. Dr. Handysides will be speaking about "Health and Spirituality". Mark your calendars now and plan to join us for this special weekend. If you have any questions, please call Shirley Oakley at 250-656-6944 or e-mail her at e-soakley@shaw.ca
