

WIN! Wellness *Homes of Hope & Health*

Small Grow Group Instruction on Integrated Balanced Living
Physical, Emotional and Family Wellness

In these times of various family illnesses, personal health crises, lots of stress, hopelessness and family concerns—many are searching for information that will help them and their families to be physically and emotionally well and learn how to take personal steps to stay well.

That is what **Homes of Hope & Health** is about!

*The goal of WIN! Wellness is to help people LIVE—
live healthier, happier, holier and even longer!*

You are invited to attend **Homes of Hope & Health** small grow groups scheduled **for your area**. In 9 weekly one-hour or 1 ¼ hour sessions you will go down an amazing learning path to a **new healthier and happier you**. Enjoy learning in a small grow group with **new friends**.

Homes of Hope & Health Grow Group Track 2: Pressing Forward

Topics Relating to Health & Family: Appreciation: a Key to Happiness, Genes: But I've Got Bad Genes, Marriage and Family Commitment, Nutrition, Communication, Celebrate Your Freedom from Personal Addictions, Transforming Love, Breath of Life, Social Support: Lean on Me.

You are invited to join the Getting Started Group Track 2.

Sessions are simple but profound, exciting, informative, powerful and life-changing.
