**Dear Parents,**

Wow, what a busy week! It's rough recovering from break and a snow day! Since we have already had a snow day, it's a good time to review again school cancelations. We follow Lincoln Public Schools. If LPS has canceled classes, then we have, too. Just one difference, we consider these days e-learning days. We put assignments on our website. This allows us not to have to make up any days. Your child's assignments are found on our website under the classes tab. These assignments ARE added in with your child's regular weekly assignments and do affect their grade. One last item about LPS, if you hear that they are dismissing early due to weather, we DO NOT dismiss early due to weather. If we are in school, we stay there till dismissal. Now, if you feel you the need to pick up your kids that is totally your decision. A small reminder, please remember that we do go outside for recess, even in cold weather. Please make sure your child is prepared.

As you can see below, our Christmas program is December 18<sup>th</sup> at 7:00 pm. We will be serving dinner for our students' immediate families at 6:00. Please pencil that into your calendars. The kids have been working hard to give you an awesome program! FYI....The kids know that scripts at school will be gone on the fifth of December. Please help them to memorize their parts, thank you. Program attire should be as follows:

- \*Jeans with no holes and that can be rolled up to the knee.
- \*A **SOLID** colored t-shirt. Please, no print or collars. (Check Target-Go prices)
- \*FIRST GRADERS need a long sleeved white shirt.
