WEEK BEGINING MONDAY 3rd OCTOBER 2022

Well, Autumn is certainly here. The hot weather seems to have turned into chilly days and nights, and we have had some rain that all our gardens have been craving.

I pray that you had a good Summer. I have been so blessed in having two holidays. Both booked before the dreaded Covid struck and which were postponed twice, then crammed close together. Some of the things I have seen have shown me the wonders of God's creation. I have seen killer whales, elephant seals, deer, buffalo, the Matterhorne and some of the highest peaks in Europe.

All seems so good and yet we are faced with as many worries. Rising fuel bills, food prices seemingly rising weekly, some of us seriously ill, and all the other burdens the World seems to throw at us.

Now seems the time to become more like the Early Church, to really show love one for another, share our lives with each other, keep an eye on each other, be open with one another, share and care for each other.

MONDAY - Let us start the week by praising God for who He is and what He has done for us.

TUESDAY – Look at what we have got – comfortable homes and each other. Thank God for these things.

WEDNESDAY – Pray today for those we know who are not well, physically and mentally. Some are looking at their lot and seeing a bleak future, pain and turmoil. Let us be bold in our prayers.

THURSDAY – Pray today for those who care for others, be it loved ones at home, those in care homes and hospitals. Pray for their well being, for strength and encouragement.

FRIDAY – Pray for those who teach. Pray that through their example others might come to know the real hope for the future in Jesus.

SATURDAY – Pray for our Ministers and Leadership team, that they may discern God's will for us as a family, God's living Church.

SUNDAY – Pray today that God's Holy Spirit will draw us closer together, that there will be a real freedom together, that we will be able to share and care for one another in a new and deeper way. We have a certain hope that nothing can take this away from us.

God Bless
Richard
