

**It's Your Love**  
*By Werner Carrasco*  
*Performed by Charmaine Wells*

Lord you told a brand new story,  
You brought forth a brand new song,  
When the world had lost its glory,  
You created right from wrong

So this is new,  
Your heart speaks true  
The old reborn  
The darkness gone  
My heart is full

**CHORUS**

It's your Love,  
Only Love,  
It breaks the hold of hate within  
And brings me back,  
It's your Love,  
Yes from above,  
It reached the darkness deep inside  
To give me life

Lord, you opened up your Kingdom,  
You kept me through the darkest night  
When I thought it lost forever  
You guided me into the Light
