SPIRITUAL FOOD FOR THOUGHT

The whole world is filled with hatred of those who proclaim the binding claims of the law of God, and the church who are loyal to Jehovah must engage in no ordinary conflict. "We wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places." Those who have any realization of what this warfare means will not turn their weapons against the church militant, but with all their powers will wrestle with the people of God against the confederacy of evil.
