I hope you are doing well when you receive this letter and soon be celebrating the beginning of the new year. I take this opportunity to share with you the 2020 Offering Calendar for the Southern California Conference.

The offering calendar is part of the agreement the Adventist Church has developed as an association of united churches, connected from the Southern California Conference to the Pacific Union, to the North American Division and the world church.

I invite you to promote in each of our churches the offering of the day by including it on the church bulletin, or through announcements during the worship hour. Donor undesignated offerings are to be dedicated to the purpose on the schedule. I am glad to report that in 2020 two additional Sabbaths were added, where all undesignated donations are reserved for the church budget to provide for the local expenses. This year there are 27 sabbaths dedicated for this purpose as opposed to 25 in the past.

The Adventist church has adopted a 5-digit code system for all donations. The Local church accounting have been designated to begin with an 8xxxx, the Conference with a 7xxxx, the Union with a 6xxxx, and the Division and World church with 5xxxx and 2xxxx. please follow this structure in 2020. At the end of the letter you will have the designated offerings for your use. If you have any questions on setup for Jewel, you may contact the Auditing Department.

From time to time, please remember to look at the treasury website, we have updated forms, resources, and the 2020 offering calendar is there too. We will continue to review and add what will be of benefit to the ministry of treasury as well as employees.

You can go to this link <https://scc.adventist.org/administration/treasury> and explore.

Thank you so much for your ministry of treasury on behalf of the Seventh-day Adventist church. You do an important work as God has blessed his people, and they have seen fit to return to God of their material blessings, for the ultimate purpose of advancing his kingdom. You have a critical part as you ensure that all donations are used for their intended purpose. May God richly bless you in the year 2020.

Sincerely,

*Orville Ortiz*
