*I'm Free*

*Don't grieve for me, for now I'm free*

*I'm following the path **God** laid for me.*

*I took His hand when I heard Him call*

*I turned my back and left it all.*

*I could not stay another day*

*to laugh, to love, to work or play.*

*Tasks left undone must stay that way.*

*I found that place at the close of the day.*

*If my parting has left a void*

*Then fill it with remembered joy.*

*A friendship shared, a laugh, a kiss,*

*Oh yes, these things I too will miss.*

*Be not burdened with times of sorrow.*

*I wish you the sunshine of tomorrow.*

*My life's been full, I savored much,*

*Good friends, good times, a loved one's touch.*

*Perhaps my time seems all too brief;*

*Don't lengthen it now with undue grief.*

*Lift up your heart and share with me*

***God** wanted me now, He set me free.*
