REFLECTING CHRIST

"The evangelization of the world is the work that God has given to those who go forth in His name. They are to be collaborators with Christ, revealing to those ready to perish His tender, pitying love. God calls for thousands to work for Him, not by preaching to those who know the truth, going over and over the same ground, but by warning those who have never heard the last message of mercy. Work, with a heart filled with an earnest longing for souls."
