## Principal's Message

A word from Mrs. Bryant

Today we had our annual Jog-a-thon Kick-off!

If you're new to RAS, each year we do a jog-a-thon to raise money for special projects for a better student experience.

Last year we raised money for laptops for 7th/8th grade classrooms and this year we have two goals:

- 1) Laptops for 5th/6th grade classrooms to use
- 2) A transit vehicle for field trips and other classroom needs.

We love to get our students out of the classroom for enriched learning opportunities, but getting a reliable bus or a qualified driver is always a big problem. Additionally, busy parent schedules don't always permit a parents to drive on field trips. Purchasing a transit vehicle that a teacher could drive will really help us continue to plan excellent trips.

Additionally, we always give a tithe on what we've raised to a local community need. Students are gathering suggestions on what worthy cause to contribute our tithe to.

### Basic info:

When: September 27, 9-11 a.m.

Where: Martin Field, by the Memorial Pool

How do I get there? Bus from school or parents can drive.

What: Walk or jog/run as many laps as you can.

Get pledges – either per lap, or just a flat donation.

### Incentives along the way:

\$10,000 in pledges or donations: Pajama day!

\$18,000 in pledges or donations: Crazy hair day!

\$25,000 in pledges or donations: NO UNIFORM DAY!

The easiest way to raise funds is to sign up at PledgeStar.

- Go to [pledgestar.com/ras](http://pledgestar.com/ras)
- Click "Not registered for this year's event"
- Enter your name and email address, then click "Submit"
- Follow the instructions to register students.

Info also available on our [website](#).

## Pond studies at Lion's Park

## Carnegie Picture Lab

We need your help!

Carnegie Picture Lab is a community nonprofit organization that provides quarterly art lessons to our K to 6 classrooms throughout the Walla Walla Valley. We just need to be willing to teach the lessons. They provide all the training and supplies and then we get to bring the lessons into our classrooms.

If you like art and like to help children learn then please be a part of the Rogers team we are putting together for this program. The training for this quarter's lesson is Thursday, September 12 from 5:30 to 7:30 at Carnegie Picture Lab, 515 E Main St. Please email or text Renee with any questions.
