

Principal's Message

A word from Mrs. Bryant

Grandparents/Special Person's Day is next week! This Monday, October 14, we honor the individuals who support our students outside of their immediate family.

Students are encouraged to invite their grandparents to a special program and free lunch at Rogers. If a student doesn't have a grandparent available, they are welcome to bring another special person - aunt, uncle, close family friend, etc.

This year, we'll all meet at 10:30 a.m. in the WWVA auditorium for one big group presentation. This is a new idea for our grandparents and we're excited to showcase our talents!

All visitors are given a free lunch. Students may purchase a lunch or bring a lunch, as their usual process.

Red Ribbon Week, Oct. 21-25

The goal of Red Ribbon Week to speak out in support of healthy choices. By staying drug free, students are sending a message to themselves and others about how much they value themselves, their overall health, their community and their future. Families may participate by completing and returning the Family Message attached.

Students are invited to participate in some fun dress-up days to honor their positive health choices:

Monday: "Our future is so bright, we need to wear shades!" **Wear sunglasses** (and regular uniforms).

Tuesday: "We're too fancy for drugs!" **Dapper Day:** students may dress up fancy or wear uniforms.

Wednesday: "Drugs don't match you!" **Mismatch Day:** students mismatch all their clothes or wear uniforms.

Thursday: "Hats off to healthy choices!" Students can wear **crazy hats** (and regular uniforms).

Friday: "Send a message!" Wear as much **red** as possible or wear uniforms.
