Church Business Meeting – We would like to invite all members of our church to our annual business meeting **November 29th, 2020** at 10am on Zoom ID: 965 957 4728. Please join us as we have a presentation from each ministry department and will vote the budget for 2021.

Prenominating Committee

The organizing Committee also known as the prenominating committee is looking for the participation of all members of our church as we move into the job of the nomination committee. Prayers are coveted for our leaders and the various committees as they deliberate as well as our church members as we assume our roles in the functioning of God's Church.

WE ARE OPEN

Thank you for attending Pinehouse Drive SDA Church today. There are new considerations to get used to so we all can remain safe. We are gathering within the health authorities' restrictions; by socially distancing seating for maximum capacity of 100 people in the building. Thank you for registering to attend, wearing masks, checking your temperature and sanitizing your hands and following the signage posted for the one entrance one exit. **You are strongly advised to keep your masks on when visiting outside the church and keep 2 metres a part.** Please be mindful that failure to adhere to COVID -19 safety protocols may cause the church to be fined and possibly shut down. Should you be found in breach of these and putting other attendees at risk you will be asked to leave. Please be mindful of the protocols and keep your mask on.

CONFERENCE OFFICE COVID-19 REGULATIONS AND PROVINCIAL COVID-19 GUIDELINES- Please note that masks and/or face shields are now required to be worn at the Conference Office in Saskatoon. With increased cases in Manitoba and Saskatchewan, we want to encourage everyone to follow the provincial guidelines. In Saskatchewan we are practicing mandatory mask wearing in all indoor public spaces and have instituted a maximum of 10 people for private gatherings. We pray that everyone is safe and healthy during this time.

ADRA CANADA CHALLENGE - Each day, millions of people go hungry. ADRA is helping by providing schools with food supplies so they can make nutritious lunches for their students. By participating in ADRA's 2020 Ration Meal Challenge, you can help too! We challenge participants to use the simple ingredients we have in our emergency food distributions to create three meals that can sustain them for 24 hours. For more information and other resources, please visit www.adra.ca/rationmeal.
