I'm Free

Don't grieve for me, for now I'm free. I'm following the path God laid for me. I took his hand when I heard him call I turned my back and left it all. I could not stay another day to laugh, to love, to work or play. Tasks undone must stay that way. I found that peace at close of day. If my parting has left a void then fill it with remembered joy. A friendship shared, a laugh, a kiss, ah, yes, these things I too will miss. Be not burdened with times of sorrow I wish you the sunshine of tomorrow. My life's been full, I've savored much, good friends, good times, a loved one's touch. Perhaps my time seemed all too brief, don't lengthen it now with undue grief. Lift up your hearts and share with me God wanted me now: He set me free
