

I N L O V I N G  
*Memory*

Don't grieve for me, for now I'm free  
I'm following the path God laid for me.  
I took His hand when I heard Him call  
I turned my back and left it all  
I could not stay another day  
To laugh, to love, to work or play  
Tasks left undone must stay that way  
I found that peace at the close of the day  
If my parting has left a void  
Then fill it with remembered *Joy*  
A friendship shared,  
a laugh, a kiss Ah, yes, these things I too will miss  
Be not burdened with times of sorrow  
I wish for you the sunshine of tomorrow  
My life has been full, I've savored much  
Good friends, good times, *a loved one's touch*  
Perhaps my time seemed all too brief  
Don't lengthen it now with undue grief  
Lift up your heart and share with me  
God wanted me now, He set me **FREE!**
