AAMFT Approved Supervisor

Issued by [American Association for Marriage and Family Therapy](#)

AAMFT Approved Supervisor Designation is the highest and most prestigious designation in the MFT field. Our Approved Supervisors fulfill stringent education and clinical training requirements to achieve this designation. Becoming an AAMFT Approved Supervisor demonstrates a strong commitment of developing one's supervisory skills as well as helping the next generation of systemic family therapists. It is recognized globally and accepted by most US state licensing boards requiring MFT supervision.
