*He never looked for praise
He was never one to boast
He just went on quietly working
For the ones he loved the most*

*His dreams were seldom spoken
His wants were very few
And most of the time his worries
Went unspoken too*

*He was there... a firm foundation
Through all our storms of life
A sturdy arm to hold on to
In times of stress and strife*

*A true friend we could turn to
When times were good or bad
One of our greatest blessings
The man that we call*
