Lunch will be served at Stevenson Funeral Home following the committal service. Everyone is welcome.

Good-bye friends. It's been a good life and you have made it richer. We've had ups and downs, good times and bad; but each experience made us stronger and better. I've gone to that sportsman's paradise where all the bucks are trophies, the fish are whoppers, and the great Canadian geese fly low; where the lakes and streams are full of fish, and where the forest, the prairie, and hills are abundant with the wildlife I love. I'm here with my old friends ready for the hunt, looking forward to that peaceful time by the river to fish, tell stories and just remember.

*When the time comes, you'll be welcome too. In the meantime, when you're in the field with gun in hand or just enjoying the day fishing, remember me; for you will be enjoying one of God's greatest gifts to me -
- the privilege to hunt and fish.*
