Dear FCP Parents,

Happy Monday! This week we are focusing on God's promises as we read Noah's Ark. The children will learn that God sends the sunshine and the rain in addition to being present for us through the joy and the pain. God promises that through everything He will forever be there for us, He is a good good father. In your times of need always remember that through it all we are blessed to have a Heavenly Father who wants the best for us. Let us remember to trust Him in everything.
