

Directions: For each day OAS is closed due to inclement weather, or for any other unscheduled closure, students will choose from the following curriculum activities to complete. In order to be counted “present” for the AMI day, students must return the completed AMI Signature Page with a minimum of 4 hours of activity documented for each closure day. Forms and completed AMI assignments must be returned within five days of school being back in session.

### **Bible**

- Review your treasure verses – write them, illustrate them, create a song for them, clap the, or find another way to practice them.
- Watch a Bible video about Baby Jesus, the shepherds and/or wisemen (could be found on YouTube) and write a few sentences telling what the video helped you see about God.
- Read your Bible or a devotional book with your family or by yourself.
- Draw a picture or a cartoon strip of the Birth of Baby Jesus.
- Listen to or sing some of your favorite Christmas Carols.
- Read the Nativity story aloud to your mom or dad.
- Pick out a story from the Bible that you can act out and act the story out for your family to guess which story you are thinking about.

### **Math**

- Practice addition facts on your phone or iPad. (called Math Drills on the iPhone/iPad)
- Make a set of flashcards to practice your addition facts.
- Write your numbers from 1-120
- Play a clock game on your phone or iPad.
- Practice telling time with a clock.
- Choose items from around the house and make story problems with them.
- Choose and make a recipe; practice measuring and following directions.

### **Language**

- Read a book in a comfy place and then tell someone in your family about what you just read—**MUST DO THIS EVERY DAY!**
- Go on YouTube and have a book read to you about Winter, Christmas or the Winter Solstice on Dec. 21.
- Make a list of things you love to do in the Winter when you are at home.
- Write the names of your family members in your best handwriting. Remember to capitalize.
- In your best handwriting write the days of the week.
- In your best handwriting write the months of the year.

## **Science**

- Record the weather and temperature at different times during the day.
- Make a list of healthy habits.
- Make a list of healthy things to eat.
- Work on a science project – ideas can be found online (like writing messages with lemon juice and a cotton swab, then using a blow drier on the page to bring the writing back).
- Watch a Magic School Bus or other science related video about Winter and write what you learned by watching it.
- Watch a video about Winter and why it may snow rather than rain.
- Take pictures of Snowy changes and send them to me on my iPhone.

## **Social Studies**

- Make a poster about being kind to everyone.
- Make a list of ways you can be kind.
- Make a Christmas card for someone and send it to them.
- Call a grandparent and ask them to tell you about what they did in the winter when they were young. Draw a picture and write about what they told you.
- Make a list of signs of Winter.
- Draw a picture of a winter celebration you have attended or would like to attend.

## **Physical Education**

- Make a snowman or woman
- Build a snow fort
- Make a snow sculpture
- If you have stairs in your house, go up and down ten times, rest, then do it ten more times
- Go for a walk outside for twenty minutes
- Jump rope (use some jump rope rhymes for fun)
- Design and do an obstacle course (for example crawling under bushes, rolling across the grass, walk down the sidewalk with a book on your head, push a ball across the yard with your nose, etc.)

## **Music**

- Listen to some Christmas music
- Listen to some Christmas Carols
- Listen and move to a variety of music

## **Other**

- Have an adult help you make a meal for your family
- Make a video with your family members – serious or funny
- Make a card for someone and send it to them
- Wrap some Christmas gifts
- Decorate your Christmas tree
- Decorate the Holiday se
