

*Voyage*

*Do not grieve for I am on a voyage*

*A voyage to explore what is beyond  
A place where there is no pain or sadness  
Where the air is clear, and energy is high  
Dreams can be realized, and desires are limitless*

*A voyage to seek out family and friends we had once lost  
We will laugh and tell stories as we once did  
Share memories that make us smile and  
to share moments, we long missed*

*Yes, I boldly go on my voyage beyond  
Yet with you I will always be...  
as long as you continue to remember me*
