Atlanta Adventist Academy 2020-2021 School Registration

There’s still time to register for the 2020-2021 school year! This year due to COVID-19, Atlanta Adventist Academy will be offering both on-campus and virtual learning to all students. Your selection of which option will need to be made by July 27th and will hold at least, until the end of First Semester. In order to keep everyone as safe as possible, students who choose on-campus learning will have their temperatures taken upon arrival and must wear a face mask. The same is true for staff. Seating will also be arranged to incorporate social distancing of 6 ft. Further, rather than students changing classes continuously, teachers will move according to the class schedule. These and other protocols will be enforced, in following CDC and state guidelines. AAA is doing everything we can to best ensure a safe, healthy and successful school year. If you have any questions regarding your student’s options this year at AAA, please do not hesitate to contact us at 404-699-1400.
