

Hi

We are all looking for ways to make sure that Christmas is special for our community especially this year

A Christmas Carol Advent Window Trail is being put together by Churches Together in Nailsea and District.

Every day in Advent a window display will appear somewhere in Nailsea or Wraxall. Each day will be based on a carol and there will be a chance to use a QR code at each display that will take you to the web page where you can hear the carol for the day, with the next bit of the Nativity Story (a great quality animated film divided into 24) and some puzzles and activities

Next Steps???

At the moment we have many shops and homes joining in. Everyone who wants to take part can.

The Trail is being run from the 1st - 24th December and there is no limit to how many can join in as we are happy to have multiple windows appearing in one day. Just email your preferred date and address and email nailseaadventtrail@gmail.com

If you don't think you can do anything by yourself then safely gang up with someone else to do a display or you can email Liz (liztilley9@gmail.com) and volunteer to help with a larger venue, to be ready for 12th December, in town (TBC) . This window will need some people great with scissors or a craft knife to help. This can be done at home

Trendlewood Church are doing the Vicarage's front window to the theme of "O Little Town of Bethlehem" on the 22nd December - so any ideas or help would be great
