Principal's Message

A word from Mrs. Bryant

While we are blessed to live in a small community, that doesn't necessarily mean that we are without crime or other disturbances.

Last week, while parked in the RAS parking lot, a parent's car was broken into and their belongings stolen. The same crime was committed next door at WWVA.

Please be careful to not only keep your vehicle locked, but also keep important items (purses, bags, wallets) with you.

Additionally, be sure to report any suspicious behavior you might see to the RAS front desk, or the College Place Police.

We're a family. Let's look out for one another.

Parents who wish to are invited to schedule a private conference with their student's teacher for another time during that day. If you will be skiing on these days, but NOT with RAS, or if you're not going to be at school at all, please let your child's teacher know. We're trying to balance classrooms and need to know how many students to expect.

Ski Day Enrichment Activities

For those students who have chosen not to go skiing, we have some fun things planned for you as well!

Back by popular demand, Mrs. Laura Hall will be teaching a cooking class and Mr. Don Larson will be teaching a lego class for grades K-8.

Additionally, we've arranged for swimming at the WEC Pool and roller skating at the Village Church Youth Center for grades 3-8. K-2 will do crafts with Maggie Stone.

Parents who are willing to help - please contact your classroom teacher. Thank you!
