

**MURPHY ADVENTIST CHRISTIAN SCHOOL
PERMISSION TO
LEAVE LICENSED CHILD CARE SPACE**

Because our PreK-Kindergarten facility is considered a “Child Care Facility”, the children are required to remain in their classroom because it is a licensed child care space. However, with a signed permission slip from the parent in the child’s folder, the children will be able to interact with the rest of the school children in either the church or other places in the school building during special occasions.
