

PACIFIC UNION CONFERENCE

The Seventh-day Adventist Church in the Pacific Southwest

PACIFIC UNION CONFERENCE STATEMENT FOLLOWING THE 2018 ANNUAL COUNCIL

The mission of the church is universal, while the ministry of the church is local. We are resolved in our continued commitment to ordain women and men equally. We remain stalwart in support of our churches, schools, conferences, and all of our workers. The Pacific Union Conference affirms and renews our devotion to the unique ministry that Christ has given us.
