

Hello parents,

I will be offering piano lessons at BME this year. Lessons will take place during the school day or immediately after depending on scheduling. They will be offered weekly and the cost will be \$50 due at the beginning of each month. I will provide method books. However, books may be purchased, if you would like to keep them. I will be utilizing the church services and school activities to give opportunities to perform. I look forward to teaching and instilling the joy that comes from music.

Thanks,

Trena Murphy
