### EDUCATION NUGGET

When we search the Word of God, angels are by our side, reflecting beams of light upon its sacred pages." "The Bible, just as it reads, is to be our guide. Nothing is so calculated to enlarge the mind and strengthen the intellect as the study of the Bible. No other study will so elevate the soul and give vigor to the faculties as the study of the living oracles...As the mind is brought to the study of God's Word, the understanding will enlarge and the higher powers will develop for the comprehension of high and ennobling truth." [Mind, Character and Personality, p.92,93].....Karen Wilcox
