

KOA FINANCIAL ASSISTANCE INFORMATION 2020-2021 School Year

Kohala Adventist School (KOA) has limited resources for students and families needing financial assistance to pay tuition. This school year, we are doing something unprecedented. Basically think of it in terms of every student is getting a tremendous scholarship. We are depending on everyone, our church our community, everyone pulling together in these pandemic impacted times. At the same time we all have a tremendous opportunity. Donations will be receipted and are tax refundable. If you are in need of further help, families are encouraged to investigate other resources such as their place of employment, their local church, grandparents, etc.
