New Bible Curriculum

Ms. Meadows is using the new Encounter Bible Curriculum for K-2nd grades. They are currently studying the days of Creation. Everyday, new items are put in a Wonder Box. Different students open the box each day and then discuss what is inside. They are up to day six!

Brookhaven Picnic Day

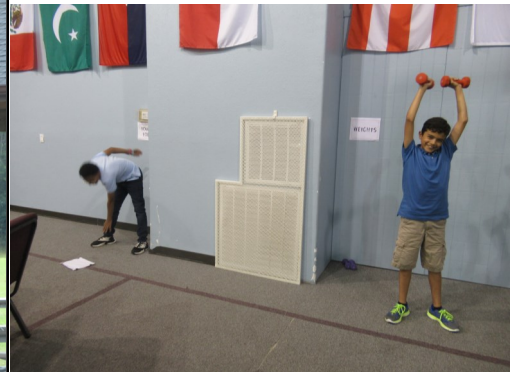

On Friday, August 31, students at Brookhaven Adventist School celebrated National Eat Outside Day by having a picnic at Alice Keene Park. After eating the students enjoyed playing softball and using the large playground. Just before we left, everyone helped to pick up trash so that we could leave the park better than when we came.

Thank you to all the parents who provided transportation. We couldn't have done it without you.

P. E. X.

Have you noticed the exercise signs around the gym? They are for P.E.X. which stands for Physical Education Exercise. Every afternoon, students from Mr. Meadows's room spend 12 minutes going from station to station doing different exercises. They spend a minute at each station. By the time they have done all 12 stations, they have had a full-body workout.
