

Remembering Lynn...

Carolyn "Lynn" Kay Burks-Lee, a wife, mother, daughter, and sister, left this world unexpectedly on April 3, 2024. A cherished wife to Isaiah Lee, beloved mother to Opal, and adored daughter to William and Suzann Burks, Lynn's passing has left a deep void in the hearts of all who knew her.

Lynn was born in Greenville, Texas on July 30, 2001. She was a beautiful girl, inside and out, from the day she was born until the day she passed. From her vibrant personality to her boundless joy for life, Lynn's spirit will forever be remembered by those she touched. She was just beginning her journey as a wife and mother, with a newfound sense of happiness and excitement for the future. Lynn resided in Quitman, where she started a new chapter of her life with her sweetheart, Isaiah Lee, whom she married on May 15, 2023. The birth of her precious daughter, Opal, on January 3, 2024, brought even more joy and love into her life. Additionally, she had just started her new job and had a new car, so her life truly was just beginning.

Her passing is a reminder of life's fragility and the profound impact that one soul can have on those around them. The memory of Lynn's infectious laughter, warm spirit, and glowing character will continue to live on in the hearts of her family and friends.

Lynn is preceded in death by her PawPaw, J.C. Lilly.

Left to cherish her memory is her husband, Isaiah Lee of Quitman; daughter, Opal Jade Lee of Quitman; parents, William "Bill" and Suzann Burks of Quitman; siblings, Koby Ethan Burks and wife Gigi of Eagle Pass, Texas, and Alyssa Jane Hadley and husband Thomas of Overton, TX; nieces, Lyanna Skyler Burks and Audrey Burks; father and mother-in-law, Thomas and Heidi Lee of Quitman; and many extended family members and friends.

In these moments of grief, let us find solace in the cherished memories we hold close to our hearts. Lynn will forever be remembered and have an everlasting impact on all who were fortunate enough to know her. May she rest peacefully.

Remember Me

Remember the good times, laughter, and fun.

Share the happy memories we've made.

Do not let them wither or fade.

I'll be with you in the summer's sun

And when the winter's chill has come.

I'll be the voice that whispers in the breeze.

I'm peaceful now, put your mind at ease.

I've rested my eyes and gone to sleep,

But memories we've shared are yours to keep.

Sometimes our final days may be a test,

But remember me when I was at my best.

Although things may not be the same,

Don't be afraid to use my name.

Let your sorrow last for just a while.

Comfort each other and try to smile.

I've lived a life filled with joy and fun.

Live on now, make me proud of

what you'll become.
