PRAYER MEETING

Wednesday at 6:30 p.m., beginning with a light meal, we continue exploring biblical ways to make the Apopka church a place "Where you belong." Kids are very welcome!

PRAYER MINISTRY

The prayer ministry prays for a different family each week. We would like for the whole church to remember this family in your daily prayers as well. This week we will be praying for Fred & Maria Pensante.

RELIGIOUS LIBERTY

It is Religious liberty time. Time to celebrate and remember how much this special ministry of the church means to each of us. We want you to take a minute and think about how much you value this precious freedom. The freedom we have through salvation came at the cost of our dear Savior's life. Ellen White warns us that our last great fights here on earth will be over the freedom of the conscience of humankind. Liberty Magazine has long served as the Adventist Church's vehicle to promote and defend this special freedom. Please consider a special offering for this precious gift of freedom it protects. Offerings can be turned in anytime through March, just remember to mark it on your tithe envelope. Thank you in advance for your generous contribution.

PERSONAL MINISTRIES CORNER

...Where believers agree that their lives reflect that of their Lord; and we cultivate a culture of constant conversation with Jehovah God.

** How satisfied are you in being an agent of salvation? Pray about your "Monday morning" talk.

**Have us video your account of a recent conversation in sharing your experience as a Christian.

THRIFT STORE

God is blessing your store with first-time shoppers every day. Sales are holding steady and volunteers are ready to serve. Praise God for His continued blessings. We are now steaming clothes to remove wrinkles and offering to leave them on hangers for the customers. So, we need clothes hangers that swivel (the type used by retail stores). Please drop them by the store or place them in the food box in the lobby. Thank you. Again, we invite you to visit the store anytime we're open to see your church in action.

EDUCATION NUGGET

The best education that can be given to children and youth, is that which bears the closest relation to the future, immortal life. This kind of education should be given by godly parents, by devoted teachers, and by the church, to the end that the youth in turn may become zealous missionaries for either home or abroad. E.G. White, CEd, page 231....Shirley Kennedy
