Special Tributes

To My Best Friend....

Momma, I Love You! You were the strongest person I've ever known. I admired you for your strength, your kindness and for just loving me the way you did. You're my mother, my teacher and my best friend. I know I didn't say it often enough, but you meant the world to me and now that you are gone, I feel lost. I asked God to give me the strength everyday that I have to live without you. You taught me everything except how to live without you. I Love You and Miss You Dearly!

Your Son

To Our Beloved Sister and Aunt....

This is not a goodbye, which we never say, this is a Thank you. Thank you for coming into our lives and giving us joy, comfort, hope, courage and the smile that would light up the day. Thank you for loving us and receiving the love in return. Thank you for the memories that we will cherish forever. Thank you for being a wonderful spirit. And last but not least, thank you for being you. We Love You Forever! Until We Meet Again, See You Later.
