“But concerning the times and the seasons, brethren, you have no need that I should write to you. For you yourselves know perfectly that the day of the Lord so comes as a thief in the night. For when they say, ‘Peace and safety!’ then sudden destruction comes upon them, as labor pains upon a pregnant woman. And they shall not escape. But you, brethren, are not in darkness, so that this Day should overtake you as a thief. You are all sons of light and sons of the day. We are not of the night nor of darkness. Therefore let us not sleep, as others do, but let us watch and be sober.” 1 Thes. 5: 1-6

ANNOUNCEMENTS

TODAY

1. **OFFERING TODAY: Religious Liberty.** Nothing is more important than liberty of conscience and religious freedom. We were created to serve by choice, and Christ came to free us from the result of bad choices. The good news of the Gospel is a message of freedom.

It is no accident that the Adventist church has championed religious liberty from its very beginnings. Early Adventists suffered steep fines and even chain gang imprisonment under abusive Sunday blue laws. Our prophetic imperative told us that even in a land of blessed freedoms, powerful forces will again try to compel all to worship falsely.

Our church early on opposed a national Sunday law before Congress. Our church for well over 100 years has sent Liberty magazine to legislators and community leaders to clarify the great issues of conscience. Our church has defended Adventists in the workplace. And by radio, television, and a myriad of member events and outreach events, it keeps the freedom bells ringing.

In this offering today, you are making all this a continuing reality. Give as if your very liberties are at stake. They are. If the watchmen cry not, who will give the warning?— Lincoln Steed, editor Liberty magazine and associate director of Public Affairs and Religious Liberty, North American Division.

There is an envelope enclosed with more info.

23. BOXTOPS FOR EDUCATION IS GOING DIGITAL. You will no longer see a Boxtops for education that you cut out. Get the app for Boxtops for education and follow the instructions. When you are finished all you have to do is take a picture of your receipt on the app and it credits the money directly to the school. I tried it and it was a very easy process. If you need any help, please let Karen Lafferty know and she will try and walk you through the process.

Until the end of the year if you should see an actual Boxtops for education on an item please cut it off and bring it into the church. Thank you so much for your support.

How the world would be different
