# A Beautiful Life Story Of

## DEVAUGHN QUE SENEGAL JR.

DeVaughn Que Senegal Jr., affectionately and famously known as "DJ", was born on September 23, 2000 to loving parents, LaShonda Humphrey and DeVaughn Que Senegal Sr. in Lancaster California. He was the first born out of eight siblings. DJ graduated from Whitney Young High School in 2018. Following high school, he pursued a variety of careers, but ultimately finding his passion in wanting to become a truck driver. Even so far as signing up to attend Swift Truck School in the upcoming year starting January 2023.

DJ had a loving heart and a beautiful smile that would brighten up everyone's lives. And we can't forget about those amazing, genuine, tight hugs. He was full of LOVE, always trying to impact the lives and souls of those around him in every way. DJ had a unique way of making people laugh, he had a laugh that will get your attention and quite frankly, the loudest in the house. And just as fast as he can brighten up a room, he could clear one with that vicious gas! We all knew and loved our little DJ. Special and peculiar he was. From birth, he was allergic to just about EVERYTHING that we would and could feed him. He was different, but still grew to be a strong young warrior, Resilient.

At four months old, the battle for his life on this Earth began as his body wouldn't digest food, leading him to the surgery room, receiving a "G Tube" in his stomach. Throughout his life, DJ always had a passion for writing and free styling. So much passion that in Jr. High School, he decided to create a project in which he wrote a poem, created a beat and rapped it for his class mates, receiving honor and praise from his teacher and peers. Let's not forget about the love he had for Basketball and working out.

DJ took life's challenges, what ever the type, and with the assistance of his faith, virtue and confidence, he tackled them without hesitation. From self-rehabilitation and learning how to walk all over again at the age of Nineteen due to the horrific car accident that left him with a shattered pelvis, to overcoming every obstacle put in his way and receiving the glory and reward of eternal life by professing his love and dedication to our Creator and getting Baptized at his Church Home, One Nation One Power Church Of Christ in Arizona, 2021.

DJ; Trustworthy, Independent, Charismatic, Creative, Courageous, Compassionate, Gentle, Meek, Beautiful, Loving was he. The Fruits of The Spirit that could never be altered or denied. He enjoyed spending so much time with his family and friends that if you didn't answer his call, you better be sure that a song or even a beat is being left on that voicemail, making sure you know that he loves you and misses you. DJ also enjoyed spending time with his Grandparents listening to oldies but goodies.

DeVaughn Que Senegal Jr. is survived by his amazing parents DeVaughn Que Senegal Sr. and LaShonda Humphrey, Brother's Dorion, Cassius, Caiden and Stefan, his Sister's Da'Zani, Casaya, Royalty and Chantel, his Grandmother's Shelonda, Denise and Kimberly, his Grandfather's Dwayne and Ladon, and a host of aunties, uncles cousins and friends.

*Rest In Peace DJ*  
GONE BUT NEVER FORGOTTEN
