Student Association Elections

The Student Association elections are just around the corner! The student body will be electing 7th through 10th graders for the 2018-2019 SA team, and there are a number of students already signed up to be in the running for the various positions.

Elections are on Wednesday, September 26, following the candidates' election speeches given at assembly that morning. We are looking for one student to fill each of the following positions:

President
Spiritual Vice President
Social Vice President
Public Relations Officer
Secretary Treasurer

In addition to the above positions, the third and fourth grade class and fifth and sixth grade class will be electing their own classroom representative to join the team. Students in seventh through tenth grades who wish to be candidates need to submit an application on or before Friday, September 21, in order to be approved. Once approved, candidates need to submit their campaign poster by the following Monday, September 24, so that everyone can learn more about what their goals are in the position they chose. Students in third through sixth grades who wish to become their class's representative should talk to their teacher to learn more.

We know that not everyone wants to be on the Student Association, but if you have some great ideas, share them! The SA is responsible for many fun events throughout the year including School Spirit Week, the Talent Show, contests, and more, but we're always looking for new things to try! Talk to the candidates and share your ideas so we can work together at having an awesome year.

See you Election Day!

Promise of the Week: Isaiah 30:21 NLT

Your own ears will hear him. Right behind you a voice will say, "This is the way you should go," whether to the right or to the left.

We're Hiring! We are still looking for an office manager. Applications can be picked up at the school office and need to be returned ASAP. Must be an Adventist church member to apply.

Detergent Fundraiser—Sept. 17-28: Students were given packets with information on our first fundraiser of the year! Please check with your child. Your help and support would be greatly appreciated! Our goal is to sell at least 300 items! The value is excellent as the products are about half the price of equivalent retail items. There are many varieties and scents to choose from.

Lunch Reminder—Lunch is \$4 each this year. Pizza is ordered on Thursday for lunch on Friday. Please send pizza money with your student on Thursday or purchase a pizza card in the office to avoid confusion with IOUs.

Attendance Reminder—Remember we have a new attendance policy. Tardies pile up quickly and un-excused tardies turn into unexcused absences which can lead to disciplinary action. Please check the online handbook or contact Mrs. Carey with any questions.
