Homeward Flight

*Peace was my companion
As I made my homeward flight
There was no fear or sorrow
All darkness turned to light*

*The canopy of stars above
Turned into brightest day
As I approached the heavens
I heard the angels say*

*The mysteries unshrouded
You are about to see
There is prepared a place for you
Here in eternity*

*Surrounded by serenity
Forever you will sing
A song unknown to angels
The song of the redeemed*
