

**Our lives go on without you,
but nothing is the same,
we have to hide our heartaches
when someone speaks your name.**

**Sad are the hearts that love you,
silent the tears that fall,
living our hearts without you
is the hardest part of all.**

**You did so many things for us,
your heart was kind and true.
And when we needed to talk to someone
we could always count on you.**

**The special years will not return,
when we were all together,
but with the love within our hearts,
you will walk with us forever.**

In Loving Memory

*Here for a good time,
not a long time.*
