WALKER MEMORIAL ACADEMY

GREETINGS FROM WALKER MEMORIAL ACADEMY!

Today we just wanted to make sure that you were aware of one of the current ways to help finance Christian education for a child or for children in your life who are dear to you and who you want to see living forever with King Jesus. The option is called Step Up For Student scholarships. Often times they pay for the yearly school bill, and the scholarships can be applied for as:

Income-based scholarships called Florida Tax Credit (FTC) Income-based scholarships (where the scholarship organization asks you questions regarding your income level and number of people living in your home and so on)

Or, as special needs scholarships called Gardiner scholarships. These at times also include extra money for therapy and tutoring, etc.

The scholarship organization, Step Up For Students, is getting VERY CLOSE to the date when they will allow new applicants for the scholarships. IF you would like to even look into the option of Christian education here in this area and at Walker Memorial Academy in particular, which we would love(!), we encourage you to check out to the following website: www.StepUpForStudents.org Once there, you can read all about the different scholarships. Right away, however, we would encourage you to click on the button or buttons which state that they are for putting you on the interest list for school year 2019-2020. That is the school year which we will be starting this August. Be sure to enter your accurate current email address when adding it and your name onto their interest list. Be sure to click "Submit" or "Next" and wait for the screen to appear which tells you that you have been added to their interest list. You at that point should also receive from them an email stating that you have been added to their interest list. Because the scholarships are first come first served and because you will be competing for them with thousands of people, it is important that you have your documents ready before the application date arrives. Please feel free to contact us with questions. Thank you for allowing us to share this information with you, and may God bless you and your family and your relationship with Him who is eternal life!
