

*Remember by Christina Rossetti*

*Remember me when I am gone away,  
Gone far away into the silent land;  
When you can no more hold me by the hand,  
Nor I half turn to go yet turning stay.  
Remember me when no more day by day  
You tell me of our future that you plann'd:  
Only remember me; you understand  
It will be late to counsel then or pray.  
Yet if you should forget me for a while  
And afterwards remember, do not grieve:  
For if the darkness and corruption leave  
A vestige of the thoughts that once I had,  
Better by far you should forget and smile  
Than that you should remember and be sad.*
