Dismissal Blessing	

### **Our Church and COVID Safety**

We want to assure you of our safety precautions for healthy meetings:

- Please enter through the main lobby doors; exit streetside doors.
- To reduce congestion, please do not linger in hallways. Some Sabbath School dismissal times are staggered to help with this.
- Children's crafts and manipulatives are specific to each child.
- A locked and guarded offering box is available in the front foyer.
- Attendants periodically inspect and sanitize restrooms.
- With a few exceptions, WA State mandates mask usage.
- No-touch greetings, pew spacing, and family groupings.
- In place of our fountains, bottled water is in the main foyer.
- If you feel sick, please worship at home until you are better.

### **Thank You, Miss Kristi!**

Gigantic thanks to Kristi Rich for producing our weekly online Sabbath School programs during the shutdown. We hate to see these end, but are so happy to have Sabbath Schools reopened!

### **Small Groups**

Our three study groups are beginning new topics and now is the best time to join! Men's group, see Charles Steinberg. Women's group, see Renee Resler. Savino home group, see Julie Savino. Join us!

### **Drive-By Baby Shower TOMORROW for the Johnsons**

Cascade Christian Child Care parking lot, 10am - noon for Zach and Maddie Johnson and their expected baby boy arriving in November.
