Dear Fairfield County Seventy-day Adventist School Family,

Please accept this letter as formal notification of my retirement from the Fairfield County Seventh-day Adventist School as Principal/Teacher effective July 15, 2019.

I would like to thank you all for the great opportunities and experiences that I have shared over these years. I'm looking forward to my retirement but will miss the team tremendously.

If there's anything that I can do to facilitate the transition, don't hesitate to let me know.

Educationally yours,

Mrs. Joycelyn Sargeant
Principal/Teacher
