Instructions for Administering Parent Survey

The study committee assigned to complete the standard for Communication and Collaboration should also oversee the administration of the Parent Survey. Follow these instructions:

ADMINISTRATION OF PARENT SURVEY

The Parent Survey is to be sent to all parents of all learners. An accompanying letter from the principal should indicate the purpose of the survey as an integral part of the school evaluation process and solicit full participation. The letter should also instruct the parents to return the completed survey sealed in an enclosed envelope to the school.

The sealed surveys are to be given to the Visiting Team chair, who will oversee their review. A report of Parent Survey responses will be provided to the school by the Visiting Team.
