

April 12, 2019

Dear Parents,

We've had a super week! Lower grades finished their unit on South America. Upper grades have been very busy getting their speeches ready for Spring Fair. Miss Daisy led out in worship. She told us all about her time as a missionary, and we sang fun songs!!!

We have started PE Methods with Union College Education students. Please make sure your child wears tennis shoes appropriate for the gym floor every Tuesday and Thursday, thanks.

We have a busy April coming up. Down below you will find all upcoming events. Please look it over carefully. Some of our events have changed. We have combined two of our events in order to help. We have an added band recital this month. So in order to lessen the burden for families, we have made early registration the same night as the recital. Since the band has a recital, they will not perform at our closing program. We will have a small program at Graduation instead. So, once again, please **CAREFULLY** look over all of our events and make note of all our happenings till the last day of school.

With the weather being so unpredictable, please make sure your child brings a light jacket to stay warm in the morning.

Yearbooks are coming!!! Please send money & order forms to order a copy of the yearbook.

Dates To Remember:

April 18-----Spring Fair

April 26-----K-4 Preview Days
