

Dear Parents,

It is hard to believe that we are just three weeks away from the end of the second quarter. Parent/teacher conferences are not scheduled till the end of January. If you would like to discuss your child's grades or just see how they are doing; please contact your child's teacher to schedule a time together.

Attention!

Step-Up; Re-apply NOW!!

We have officially received word that step-up is open for renewing families. Many waited till the last-minute last year and almost lost their scholarships. Please make sure that you apply now. Some parents have already been awarded for the following year. Remember, once it opens to new families, it is first come, first serve.

Half Day this Monday, December 3rd

Teachers will be having a Professional Development Day. Lunch will not be served that Monday even though it was included on the calendar. Please make sure that you plan accordingly for your child's lunch if they will be attending afterschool care.
