“Cutting Edge” Reports

*On August 18, 2018, the Omaha Memorial Church celebrated **Children’s Sabbath**,” says Delmar Austin, lead pastor. “The young people in the church were in charge of every aspect of the worship service, from music to prayers to taking up the offering. Even the “Children’s Story” became the Adult Story, as adults gathered in front to hear the young storyteller. Six young people presented sermonettes on the second coming of Jesus. Many that day were impressed by the amazing gifts and talents of our younger members,” says Pastor Austin.*
