### Key Concepts for Spiritual Growth

This book opens with a chain of revelation that centers in Jesus. He is the first Person mentioned in the book and the One who passes the revelation on to John. (Rev. 1:1). What God gave to Jesus is called “the Revelation of Jesus Christ”. What Jesus passed on to John is called “the testimony of Jesus.” What John passed on to his readers was “the words of this prophecy.”. Rev. 1:3

**This chain of revelation is important for Seventh-day Adventists.**

## NAMES OF GOD

### Cornerstone – Capstone

In order to hold the structure together, the cornerstone had to be perfectly fitted for the task, both strong and well shaped. A flawed or poorly cut stone would compromise the building's integrity. **JESUS IS THE CORNERSTONE OR CAPSTONE** to which we are joined as living stones. Together we form a spiritual house in which God can dwell. As the foundation stone on which God is building his kingdom, **Jesus is strong enough to hold everything together. He is also the fitting conclusion to all God's work. You can base your life on it.**

## WHISPER

### How to Hear the Voice of God

Hearing the voice of God starts with quickening. If you want to hear the still small voice of God, abiding is key. And the final key to hearing is doing. Hearing without doing is hearsay at best and hypocrisy at worse. We can and must do better than that.

*Read the Bible for breadth, read the Bible for depth.* Reading is the first bite. (where most people stop) The second step: Meditation, chewing on words and phrases. Instead of dissecting the Word, we let the Word dissect us.

The third step is prayer – is savoring the Word. The fourth step is contemplation. Digesting the Word. That is how the Word gets from our head into our heart. You have to do it. **Until you obey it, you've simply been educated beyond the level of your obedience. Read for pure enjoyment!** Just do it!! Then see what God does!!
