Nomination for leadership at the church meeting for members on Tuesday, 17th May 2022

**Keziah Rogers - Deacon**

I'm Keziah and I sing in the church band.

I'm married to Matt and have been since September 2020. That was when we were in lockdown and God blessed us with an amazing drive in wedding in the sunshine with over 100 guests!

I have been attending Dereham Baptist church for over ten years now and first joined when I was a teenager.

I never thought I would be asking to be a Deacon (or even what that meant) until a few months ago. I shared a picture of a person in a boat surrounded by waves that were dark and deep. The person couldn't see through the water. However God was looking down on them and could see still waters and the beautiful reflection of his creation. I also shared this quote that was written in my keys to freedom booklet from the last course Jessica had run 'when we acknowledge the hurts we are experiencing and invite the Lord to give his perspective, we allow God to heal us and bring new levels of freedom and peace'.

Little did I know that Roy Searle was going to say how this picture was very similar to one he was going to be talking about during the end part of his sermon that day. He also said about more females taking on leadership roles in the church and well I felt that was my calling. It was confirmed by several people and I am very thankful for them. I'm unsure exactly what my role is going to look like, but we all know God knows all of these details! So I'm excited to say I'm getting into that boat and seeing where the journey leads me.
