January 23, is **Religious Liberty** Offering day for the North American Division. We are today in the midst of an international crisis of the first magnitude. before our eyes, civil liberties are vanishing beneath the necessity of action. And religious liberty is threatened in a palpable way. In this moment of crisis, we need to uphold the banner of freedom, religious freedom, as never before.

Each year *Liberty* is placed before you, and we ask our church community to empower our religious liberty efforts with financial support. It is always vital. But this year the need is palpable. We ARE in a testing time. The very nature of this emergency is a reminder that time is short.

"We are not doing the will of God if we sit in quietude, doing nothing to preserve liberty of conscience. Fervent, effectual prayer should be ascending to heaven that this calamity may be deferred until we can accomplish the work which has so long been neglected. Let there be most earnest prayer and then let us work in harmony with our prayers." Ellen G. White, *Testimonies for the Church, vol. 5, p. 714*. Please pick up a Liberty Bond at the back of the sanctuary for your contributions.
